RE: Freedom of Information Act Request

Dear Regional Freedom of Information Officer:

This is a request under the Freedom of Information Act (5 U.S.C. § 552) and implementing regulations of the Environmental Protection Agency ("EPA") (40 CFR 2.101). I request that copies of the following documents, or documents containing the following information, be provided to me:

- Documents concerning Solicitation W912WJ-20-R-0003, or any other Solicitation ("Solicitation(s)") issued in or about October 2019 through or by the U.S. Army Corps of Engineers, New England District ("CENAE") for work on an EPA investigation and cleanup project on the Housatonic River known as the Housatonic River site, EPA site MAD980672935, said Solicitation being for the continuation of work then being performed by Bluestone Environmental Group, Inc. under a 2014 contract for EPA work issued and administered through CENAE, designated as IDIQ W912WJ-14-D-003, and including but not limited to:
 - The Solicitation(s);
 - Public announcements or communications regarding the issuance of the Solicitation(s);
 - Proposals submitted in response to the Solicitation(s);
 - Communications between EPA and CENAE regarding the Solicitation(s);
 - Communications between any EPA employee and any person outside EPA regarding the Solicitation(s);

Re: Aluminum Recovery Technologies, Inc.
Designation of Proper Addressee

To Whom It May Concern:

Pursuant to 40 CFR § 2.213, Aluminum Recovery Technologies, Inc. (ART), located at 2170 Production Road, Kendallville, Indiana designates the following person as the proper addressee of communication from U.S. EPA to ART under 40 CFR Part 2, Subpart B, the regulations dealing with confidential business information:

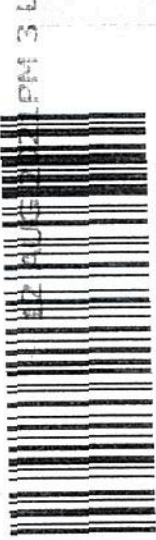

Farrell Norman
2170 Production Road
Kendallville, IN
46755
Phone: (260) 349-1590

ART has submitted confidential business information only to the offices of U.S. EPA Region 5. However, we do not know whether U.S. EPA has forwarded this information on to other U.S. EPA offices. Thus, ART requests that the Freedom of Information Officer notify U.S. EPA Region 5 and any other offices that may now possess the information submitted by ART of this designation as soon as possible.

Any and all inquiries and communications (oral and written) under 40 CFR Part 2, Subpart B, including inquiries and notices which require a reply within deadlines, should be timely sent to
